12 IN THE MATTER OF, IN THE MATTER  
13 OF THE APPLICATION OF ARIZONA  
14 PUBLIC SERVICE COMPANY FOR  
15 APPROVAL OF A RESIDENTIAL  
16 DEMAND RESPONSE PILOT PROGRAM

DOCKET NO. E-01345A-10-0075

REQUEST FOR REVISION  
TO SCHEDULE

16 Arizona Public Service Company ("APS" or "Company") requests that the  
17 Arizona Corporation Commission ("ACC" or "Commission") approve a schedule  
18 change to its Home Energy Information Pilot Program ("HEI Pilot") approved by the  
19 Commission in Decision No. 72214 (March 3, 2011). The Company requests that the  
20 HEI Pilot schedule be extended by one year. This would extend the availability date of  
21 Experimental Service Schedule 16 from December 31, 2012 to December 31, 2013;  
22 extend the due date for the HEI Pilot mid-point assessment evaluation report from  
23 December 31, 2011 to December 31, 2012; and extend the due date for the HEI Pilot  
24 final evaluation report from December 31, 2012 to December 31, 2013.

25 The HEI Pilot was designed to be conducted through two summer seasons. As a  
26 demand response program, the HEI Pilot's effect on the summer peak demand is the  
27 dynamic APS is most interested in evaluating. The HEI Pilot was planned to be in effect  
28 during the two summers of 2011 and 2012. Because approval and implementation

1 occurred later than anticipated, the HEI Pilot could not be implemented during the  
2 summer of 2011. APS will, therefore, need to rely on data from the summers of 2012  
3 and 2013 to gather the data needed to evaluate the HEI Pilot as required by Decision No.  
4 72215.

5 RESPECTFULLY SUBMITTED this 4th day of November, 2011.
